## REMARKS

Attn: Examiner Lindsey

SENT VIA FACSIMILE  
Fax No.: 703-746-4906

Sir:

This is responsive to a telephone conference on Tuesday, February 11, 2003. In the teleconference, the Examiner requested that the changes from the Certificate of Correction be included in the original application. Attached hereto as Exhibit A is the original application with the changes from the Certificate of Correction included. Specifically, in column 4, line 15, a "," was placed after fingers. Additionally, in column 4, line 20 a "," was inserted after the word phalanges. Finally, at column 4, line 21, a space was inserted between the words "a" and "longitudinal". These corrections were the three corrections contained within the Certificate of Correction and now are included in the original application as requested.

The Examiner also requested that the claims include all changes from the original application made throughout the prosecution of the application. Attached as Exhibit B are claims 1 through 6 of the application having added material being underlined and deleted material being bracketed. That application includes claims 1 (Three Amended), 2, 3 (Amended), 4 and 6.

With the submission of the application including the corrections from the Certificate of Correction and a copy of the claims including all material added and deleted where the added
